#### Judge's Comments

A strong class representing a strong vintage. Still a lot of ferment issues with volatility seen reasonably regularly. Overall very good group of wines with a strong medal strike rate. Best wines showed lovely purity and vibrancy, texture and palate shape/length.

#### Judge's Comments

A nice class to judge with good wines across a number of different varieties. Some wines appear under fruited and may have benefitted from some extra hang time in order for varietal trueness to come out. Best wines showed marital integrity as well as vibrancy and textured palates.

#### Judge's Comments

Appears to have been a difficult vintage, a lot of wines showing more tropical aspects to the fruit and acid profiles. Some riper more forward styles lacked the vibrancy necessary for higher scores. The good wines managed to control ripeness levels and show a good level of acid integration into tight, compact palates.

A miss mash of wines with some very ripe wines, some quite herbal wines and some with a mix of both. The best wines showed lovely fragrance and well structured palates with vibrancy and purity off fruit. Still some heavy handedness in the use of oak apparent
